SAUVIGNON BLANC

tasting notes

Aromas of grapefruit and hints of fresh herbs lead to a fresh and vibrant Sauvignon Blanc that offers flavors of juicy stone fruit, grapefruit and citrus with a crisp, clean finish.

winemaking notes

Mozaik Sauvignon Blanc blends both cool-climate and warm-climate Sauvignon Blanc grapes to create a perfect balance of herbal components and stone fruits. Our Sauvignon Blanc is aged in stainless steel for six months for crisp and refreshing mouth-feel.

pairing notes

Our Sauvignon Blanc pairs perfectly with lighter fare including salads, delicate fish dishes and light chicken dishes, particularly those with a citrus or herb component.
